TESTIMONIALS

"I had my son's 7th birthday party there this past weekend & it was AMAZING! My husband and I were highly impressed with the staff who were very professional, friendly and helpful! She also played games with the kids and offered their bluetooth speaker to use, which was an added bonus! I highly recommend Ivy League Kids!" - Caitlyn B., Facebook Review

"I had my children's birthday party here two weeks ago and it was so much fun! Our party coordinator was awesome with the kids and really helped make throwing a kids birthday so fun and easy!" -Nia G., Facebook Review
