

Sponsorship Opportunities

FITNESS! TEAMWORK! CONFIDENCE!

The Ivy League Before and After School Program hosts Little Dribblers, a youth basketball league for kids in K-3rd grade. Our goal is to introduce children to many drills and skills that will assist them in one day becoming a better player, while applying the principles of teamwork, discipline, dedication, and sportsmanship. We also emphasize lifelong skills such as values, self-esteem, goal setting and making responsible choices with every child that participates. We believe a great basketball player is a true asset to the game, but a great person of character is a true asset to the world.

Your sponsorship will help to keep the league effective and affordable and support Little Dribblers Basketball with t-shirts, prizes, equipment and competition expenses while youth learn to compete in the sport of basketball. By sponsoring the program, your tax deductible donation will not only help with the development of important skills, but your logo and company name will be viewed within the local community. The league has over 300 players with over 50 teams, and it is a great way to get the word out about your business!

Little Dribblers Basketball offers you one of the following packages to become one of our valued partners. Your involvement will assist in helping to improve and increase the number of opportunities for our young athletes. It will help us to be able to offer even deeper discounts and free participation to some under privileged youth in need of quality training and opportunities.
