## Summer Camp

### Guidance and Discipline

1. No one may hurt or intimidate another person or be the cause of another to be fearful, through verbal, physical or the use of gestures.
2. No one may place him or herself in a dangerous situation or be the cause of jeopardizing the health or safety of another person.
3. No one may be disrespectful of another persons' sense of self or use of unacceptable language.
4. No one will cause damage or deface the equipment or personal belongings of another person or facilities used by the program.
5. No one may refuse to follow the rules or disregard them.

### Acceptable Disciplinary Actions

1. A child will be given a set of alternatives that they must choose from in order to help make the situation better.
2. If needed, the child will be given a time out (no longer than 1 minute per number of years of the child's age).
3. If more than 1 timeout is needed in a given week, the parent/guardian will be verbally notified.
4. If more than two time outs are received in a given week, a written behavioral report will be given to the parent/guardian and put in the child's file.
5. In case of aggressive behavior, the child will be removed from the situation as quickly as possible to prevent further harm to the person(s) involved.

\*All disruptive behavior will be documented with a copy given to the parent/guardian of the child involved. Should disruptive behavior continue, the parent/guardian, child and staff member will set up a discussion time to find an agreeable solution or method for handling any further incidents.

**Electronics Policy:** In order to keep camp prices low, we cannot assume responsibility for any personal item, lost, stolen, broken, misplaced, or otherwise. With this in mind, we would like to remind parents and campers of our policy regarding electronic devices: No electronics are allowed on the gym floor, this includes music devices, cell phones, and video games. Campers are allowed to use the electronics during the movie time, on long field trips, and other free times. This gives them the option of over 2 hours of use a day.

Due to security concerns for all our campers, no camper is to use their cell phones for texting or calling during core camp hours 8:30am to 4:30pm. We have a phone number where your child can be reached and they can contact their parents at anytime with the help of a staff member. With the ability of some phones to upload video to the internet we feel this is a privacy issue. Please speak to your child regarding these rules.

### Billing Information

All invoices are generated based on the schedule agreement you filled out at the beginning of summer camp. Drop in rates: \$50.00/daily, Field trip drop in day rate \$13.00.

Tuition is paid one week in advance and is due every Monday. There is a \$15.00 fee for late payments. \*Tuition not paid 1 week in advance is considered past due and a \$15.00 late fee will be assessed. In cases where two parents are paying tuition, the parent who signs the policy agreement is responsible for full payment. Parents can log onto the MyProCare Parent Portal to pay their bill.

Visit [ivyleaguekids.org](http://ivyleaguekids.org) for more information.

- **There are NO exchanging days.**
- **There are NO credits for sick days or days absent.**
- **Summer vacation: 2 weeks notice to remove days from the billing cycle.**
- **If tuition is not paid Tuesday evening for the following week, the credit/debit card or checking account on file will be processed for the amount due plus a \$15.00 late fee on Wednesday morning.**

### Field Trips

Field trips and outings are a carefully supervised part of our Summer Camp program. A list of dates and field trips can be found in the summer camp brochure or on our website. Outings such as public parks or public facilities may be taken without previous planning. Field trips are subject to change.

My child has permission to go on outings as part of the Ivy League program.

### Transportation

Transportation is provided by either Kids Fit Foundation/Ivy League Vehicles, a state certified Bus Co. and on occasion, an employee vehicle.

### Photography

Photos and videos are sometimes taken for use within the program for marketing purposes. Occasionally, these or other pictures may be used for newspaper stories or our Ivy League Facebook page. Whenever possible, this will be cleared with the parents, but this is sometimes difficult or impossible in cases where pictures contain a large group of children or are used several years after they are taken. I give my permission for my child's picture/video to be used for educational or marketing purposes or stories done about the center activities.
