ADVENTURERS

Turn your child's ordinary summer into a summer of **exciting exploration!** Ivy League's summer camp is filled with indoor and outdoor activities, plus opportunities for fun and friendships. Our program groups campers by grade and encourages their growing ability to make choices, work with others, and assume responsibilities. Enjoy weekly field trips, swimming, team building activities, enrichment clubs and so much more. We have a ton of fun in store for you that will give you an unforgettable summer!

X-TEAM 6TH-8TH

The most important role that the X-Team members play is being a positive role model for the other campers. This year, our counselors will be choosing campers to interview and be Jr. Counselors where you will help the younger campers in arts & crafts, lunch, clean up and more. You will also gain volunteer and community service experience. Don't worry, you will be rewarded for all your hard work! Our Jr. Counselors will be going on dedicated field trips!

FIELD TRIPS & THEMED WEEKS

Our summer camp has theme-based weeks and field trips that have been carefully planned and thought out by our team of program directors. Each week has a fun theme and we will wrap up the week with a dress up competition on Fridays. Each camper can participate by dressing up in a way that matches the theme. Field trips are on Thursdays and scheduled at the time of registration.

SWIMMING

Monday and Wednesday are optional pool days so don't forget your **swimsuit, towel** and **sunscreen!** We sunscreen campers every hour when outdoors.

SPORTS & TEAM BUILDING

We incorporate sports games and team-building activities to nurture a non-competitive environment that focuses on individual skill and personal achievement. Campers will part in sports such as soccer, basketball, baseball and more.
