

**Dear Families,**

Welcome to the Ivy League Kids Program! We are excited to partner with you in providing your child with a safe, enriching, and enjoyable experience. Our program is designed to offer a wide variety of developmentally appropriate activities, tailored to support your child's growth and success.

Your child's health, safety, and well-being are our top priorities. Our dedicated staff is committed to delivering the highest quality programming and creating a positive environment where children can thrive both academically and socially.

For your child's safety, we require all participants to be signed in and out each day. Before school, a staff member will ensure your child is released to the appropriate school personnel, and after school, we will be expecting all program registrants. If your child is scheduled to attend but will be absent, please notify us in advance. We actively check attendance and follow up on any unaccounted absences to ensure the safety and security of all children in our care.

We look forward to a wonderful year with you and your family. Thank you for choosing Ivy League Kids as a trusted part of your child's development. Please don't hesitate to reach out with any questions or concerns—we're here to support you!

**Sincerely,**
